

Want to make your wedding day special?

Wedding guests often struggle with the lapsed time between your beautiful ceremony and when the reception starts...
Especially out of town guests!

Want to keep your guests happy and comfortable while you're off enjoying your photos?
That's where the Albion can help you!!!!

We make your guests happy and comfortable in The Albion Hotels all new "Long Room" located on the Second Floor, full privacy, it boasts excellent view of Dean Street, Full bar and Catering Facilities and also a Pool Table and Juke Box to keep your guests entertained.

We offer the room to your guests for the time between Ceremony and Reception.
Weddings with over 50 guests attending receive half price room hire.
Weddings with over 100 guests attending receive free room hire.

Minimum food is required as we (don't want your guests getting the giggles before they get to the reception).

Here at the The Albion Hotel we want to ensure that your Wedding Day is a Happy and Memorable Day and the main factor is keeping your guests happy and ensuring they are having as much fun as you, that's why we are more than happy to work with you to meet your requirements.
